

# SOLARA HOMES

Your Home and Nature in Harmony

## BERTRAM MODEL

Solara's single-family homes are all about outdoor living. Centered around a private courtyard and an outdoor covered terrace our homes are designed to bring nature and the outdoors into daily living. Options include separate guest cottage, pool, spa, sauna, fire pit, our unique oasis master bathroom with outdoor shower and Solara's outdoor courtyard kitchen with dining area. We also offer a hurricane shelter and net metered solar power. Our homes are all sustainably built and FGBC Green Certified. We are a custom builder so our homes are of the highest quality and built to the strictest standards. We also have lots in Lee, Charlotte and Collier counties.
